

# **Towards a collaboration and high-level federation structure for the FIRE Facility**

Jon Crowcroft  
Piet Demeester  
Jacques Magen  
Phuoc Tran-Gia  
Jerker Wilander

# FIRE collaboration structure

# Existing prototypes coverage

# Issues for future FIRE projects

1. Establish the collaboration structure
2. Fire portal and methodology
3. Fire office & "fire architects"
4. Cooperation with National&International projects
5. New areas of work

**Towards a collaboration and high-level  
federation structure  
for the FIRE Facility**
